

The background is a solid dark blue color. Overlaid on this background are two large, overlapping circles of a slightly lighter shade of blue. The circles are positioned such that they overlap in the center, creating a subtle gradient effect.

I feel so bad about the age of GINA, I will admit I did molest her but did not rape her. I actually feel the close ness to her AND her parents. I do not have the urge to touch her. I feel its wrong.

Anyway, My Intenxtions ARE to let these woman go, when I feel I have ARRANGED everything, so my family knows what to do after I take my life. I have a DOLLAR BANK ACCOUNT with about \$10,875.21 (TEN THOUSAND DOLLARS) AND I HAVE CASH MONEY <sup>ABOUT ELEVEN THOUSAND IN CASH \$11,000.00</sup> UNDER the WASHER MACHINE. Thats it. Do not look for ANY MORE MONEY, There is not ANYMORE.

The bottom line is, I AM A SEXUAL PREDATOR

TO MY children: Please be strong, and make the right decisions. Just because you may think you know someone, do not get into their VEHICAL. This was the case of AMANDA + GINA.

GRIMLCAJ: Please do your best to insure my babies ARE SAFE. If possible, MOVE AWAY (Far Away).

As I write this letter on 4-8-04 2:05 PM, my symptoms ARE clearly bothering me (Dizziness, and not really feeling like I'm hear). Also, Depression. I KNOW I AM sick (Mentally).
